1	P-13	paragraph 4	Susan Tatayon, DPLA, DWR	Compliance with reporting requirements of the Urban Water Management Planning Act won't necessarily assure implementation of water recycling projects, since the Act only requires reporting of plans—not implementation. Unless the certification process for UWMPs offers an incentive for implementation, assurance of is uncertain. Is there something you could add to clarify the "idea" that CALFED and stakeholders will be working on during the remainder of Phase II?	
2	2-21	paragraph 1		"estimates" should be "estimated"	
3	2-22	paragraph 3		"The California Urban Water Agencies and WaterReuse Association have drafted a guidebook describing. . . ." [Revise rest of paragraph to change verb tense.]
